• NATIONAL POLITICS & GOVERNANCE

CBSE Chairman Rahul Singh Removed Over OSM Issues

IAS officer Rahul Singh was removed as CBSE Chairman following glitches in the On-Screen Marking system for Class 12 board exams.

RPSC tests educational administration and key educational policies extensively. This connects to governance structures in education and implementation of NEP 2020 reforms.

- **Rahul Singh** is a **1996-batch IAS officer** from **Bihar cadre** who served as **CBSE Chairman**
- **CBSE** is India's largest national school board with approximately **33,000 affiliated schools**
- Singh implemented **three-language policy** and extended it to **Class 9** under **NEP 2020**
- **On-Screen Marking (OSM)** system was introduced for **Class 12 board exams** without pilot testing
- Singh moved to CBSE in **2024** from **Department of Personnel and Training**

• HEALTH & POPULATION

NFHS-6 Omits Key Health Population Data

NFHS-6 fact sheet excluded crucial population, health, and government scheme data despite collecting this information

NFHS tracks health and population indicators for evidence-based policy making. For RPSC RAS, this connects to health survey methodology and government health schemes - topics frequently tested in Prelims.

- **NFHS-6** fact sheet omitted population-level statistics and women's health indicators
- Survey excluded data on **Swachh Bharat Abhiyan** sanitation coverage despite asking questions
- **Ujjwala Yojana** cooking fuel data missing from released findings
- Survey showed gains in health insurance cover and women's internet usage
- Family planning indicators absent from fact sheet though detailed report awaited
