NFDC-NFAI Restores Eight Ritwik Ghatak Films in 4K

NFDC-NFAI restored eight iconic films by legendary filmmaker Ritwik Ghatak in pristine 4K format for global audiences.

The National Film Development Corporation (NFDC) and National Film Archive of India (NFAI) have undertaken a major restoration project to preserve Indian cinema heritage. Ritwik Ghatak was a prominent Bengali filmmaker known for his contribution to parallel cinema movement in India.

- Eight iconic films by legendary filmmaker Ritwik Ghatak have been restored in 4K format
- The restoration project is undertaken by NFDC (National Film Development Corporation) and NFAI (National Film Archive of India)
- The restored films are being made available for global audiences
- NFAI is headquartered in Pune, Maharashtra and is India's premier film archive
